

Information about mediation and strike

The collective bargaining between HK and Virke (the two parties) stranded due to a significant distance between the bargaining parties. In an attempt to reach an agreement, mediation will be tried. Read more on why the negotiations stranded on HKs website. www.hkinfo.no

When does the mediation begin?

Mediation is scheduled 10th – 11th of September. Agreement deadline is at midnight 11th of September. If an agreement is not reached, strike action the next day.

When is the strike selection public?

The strike selection will be published 7th of September. We will provide information on which companies are affected by strike action on HKs website. We will send separate information in a newsletter to union representatives and members going on strike.

Who gets strike compensation?

All HK members who joined the union before 10th of September, and work in a company affected by the strike will get strike compensation from the HK. Non-organized does not have the right of strike compensation.

Can newly joined members strike?

All members who joined the union before mediation starts 10th of September 2020, is not a part of the strike, and can not apply for strike compensation if the employer initiates a lockout or temporarily lays off employees.

Non-organized that are temporarily laid off due to strike action does not have the right to unemployment benefits. Make sure your non-organized colleagues join the union as fast as possible. They can become members at www.hkmedlem.no/bli-medlem
